ARTICLES OF WAR.

ART. 93. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by pretermittal or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

DIRECTIONS.

NOTE 1.—One copy of the inventories of the effects of deceased non-commissioned officers and soldiers, required by the 93rd Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in the duplicate, will be sent to the Adjutant General with one copy of the inventory. Each inventory and final statements should be forwarded, as a general rule, through Regimental Headquarters. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish, direct to the Adjutant General, the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of —, late of company —, —, —, regiment of —, who died at —, the — day of —, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported on the blank for inventory.

NOTE 2.—Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

NOTE 3.—In such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds duly certified by the Council and commanding officer, (Form 5,) accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of —, late of company —, —, —, regiment of —, who died at —, the — day of —, 186—."

NOTE 4.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts should be attached to the inventories. In all other cases, one copy of the inventory, with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 5.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

Sir,

I have the honor to inform you that from our investigating office (now being built) of the contract of Sept. 10, 1865, is signed Pro. Mar. 1st to residents of St. Louis, it appears that to be built in two weeks a very large amount of money, belonging to substitutes, as these substitutes have been sent to the various laboratories across the country to you. I have also come to suggest that I would very much like to see you to see substitutes and that, by such means, that they may not, even at other nearly every, you will be able to make all the time to the work, better, the other thing which must be known they may substitute the other. I account they are to be sent, to the other, which must be the best of our company is there forwarded to this office. It will be able to know what may be the time.

No 5

Captain George W. Crane Col.
S. T. Mc. Inty. having been found guilty by a Civil
Court Martial, upon a charge of disobedience
of orders, in pursuance of the sentence of the
Court he is hereby publicly reprimanded

The offence with which
Captain Crane was charged and of which he
was found guilty, stands among the highest-
in the catalogue of Military offences. Prompt-
and implicit obedience of the orders of a superior
is one of the prime tests of the good Officer
or soldier, and he who so far forgets his duty
and the obligations under which he acts,
as to deviate in the slightest in this respect,
necessarily attaches odium to his Military name
and is deserving of the severest censure.

Captain George W. Crane
will return to duty and it is to be hoped
that he will by his future good conduct,
set that example to his subordinates which
is incumbent upon him as an Officer

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

I must apologise for not
 having written William Crawford, Co. "E" 8th Regt. Inf. Cal.
 He returned to duty and pay, with the loss of pay, during his
 absence, he deserted Nov 2d 1842, and was arrested ^{and} and, back to
 the Regiment on the 5th of September 1842. The above named
 William Crawford was tried by Court Martial at Camp Sherman
 Miss, for desertion and I have never been able to discover that any
 sentence was ever rendered in his case. Since his return to the Regt
 he has conducted himself as a good Soldier for the above reason
 I make this application, hoping it may meet your approbation

115. " " June 6-1864

This man was discharged Sept. 29-1862,
at St. Louis Mo., because of Wounded,
in action at "Russell House", near
Corinth Miss. May 28-1862. The ball
passed through right elbow and he has
had a resection of the joint, resulting
in no union of bone and loss of
the use of arm. ³⁴ J. H. Moore Surg. Gen.

Examining Surgeon E. A. Clark
of St. Louis Mo. reported under date of Feb. 6
1867 "This man recd. a gunshot wound
in the right arm, which carried away
three inches of the lower end of the humerus,
and left a space of two inches between
the two ends of bone, so that he has
no control whatever, over the movement
of the fore arm, which dangles at
his side like a coat sleeve. There is
also more or less complete paralysis
of both motion and sensation in the
hand. His disability is equivalent
to the loss of a hand and permanent
at that rate."

Fort Donelson.
Feb. 15. 1862.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed up the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Dark Brown hair, and by occupation when enlisted a *Farmer*. During the last two
months said soldier has been unfit for duty *sixty* days. (Here consult directions on Form 12, p. 239, Med. Dept. Gen. Reg.)
Said *Vilas C. Davis* has performed but *two* days duty since
the first day of November last. I believe his disability was
caused by exposure since enlisting, & during the months of
Sept. & Oct. last, at Paducah Ky. And in my opinion is un-

Captain D. B. O'Brien Commanding Company.

I CERTIFY, that I have carefully examined the said Henry H. Dodge of Captain D. B. O'Brien's Company, and find him incapable of performing the duties of a soldier because of (Here insert par. 1104, p. 346, and directions on Form 12, p. 200, Med. Dept. Gen. Reg.) diphtheria & debility.

Diarrhoea, and debility which, in my opinion, has been partly caused by exposure in the service. Has been under treatment for six months. Degree of disability—One half.

Post Mortem examination of the body of
J. Bolan. Co 73 8th Miss Ar. & Col. made by Drs
A. J. Young, Foster, and Sterling, at 11 A.M.

The external appearance presents a wound, about
one and half inches in length, extending from the inner
extremity of the left eyebrow across the back of the
nose, to the right side. The lids of both eyes were
considerably ecchymosed. On probing the wound, it
was found to be about half an inch in depth.

An incision being made in the direction of the
frontal suture, and the integument and pericranial
dissected back, the bones of the nose as well as the
nasal processes of the frontal bone, were found to
be broken, and also the arches superciliaris of the
left side. An extensive coagulum of blood was found
under the occipito-frontalis muscle.

On removing the greater part of the frontal-bone
a considerable coagulum of extravasated blood was
found between the anterior lobes of the Cerebrum,
and the tabula tertia, of the frontal-bone. Which
latter was also splintered. The dura-mater was greatly
congested. On removing the dura-mater the veins
on the surface of the anterior lobes of the brain,
were found greatly distended, and congested.

On removing the nasal bones, the nasal and superciliary processes of the frontal-bone and the os-unguis, which were comminutely fractured, on found the septum nasi also broken.

An incision being made into the anterior lobes of the brain its substance was found in a state of considerable congestion.

The undersigned came to the conclusion, that death was produced by inflammation of the brain, as a natural consequence, of the compound comminuted fracture, of the bones mentioned above.

The above described injury, is supposed to have been received in a street brawl. Nothing indicating the necessity for operative interference, was at any time apparent during the treatment.

Applic. for a furlough
of thirty days.

March 29.

New Galilee N. E. March 29th 1863.

Sir

I have the honor to apply for a furlough of thirty days, to proceed to my home in Illinois based on the following statement of facts, which I respectfully submit for your consideration and action. My private business affairs are in such a state as to require my immediate presence at home; and, which if neglected will leave my wife and four children almost destitute.

I have been in service nearly four years, and have had, only, my Veteran furlough, since which time the contingencies above referred to have arisen. Trusting these reasons will not be regarded as slight, or a mere excuse.

I am Sir

Very Respectfully

Your Obedt Servt.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—collection of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the recruiting officer (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

FINAL STATEMENT

OF

Priv. John W. Huker, Co. "B"

8th Reg't of Missouri Inf

VOLUNTEERS.

Disch March 2.64

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State and Union, and by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier for pay, &c., must be entered on the muster roll on which the discharge, &c., is reported, as well as on the final statement, &c.; which amounts cannot be collected from the United States.

NOTE 7.—This blank will be used for detached volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.
